Mr. Cahn,

I just spoke with Mr. Entzminger and confirmed that CLCM did not intend to include attachments/enclosures for Response No. 23 for the St. Francis facility. That response was solely narrative.

Please let us know if you have any questions or if you need anything further.

Best,

Amanda

Linda:

The EPCRA Program tells me that the information request response for the St. Francis CLCM facility is missing the attachments/enclosures for the response to item 23. Can you please send that along?
